To Whom It May Concern:

I am writing on behalf of Shane Demler Masonry Inc. as to the work history with Paulsen Construction.

Shane completed the masonry for the Salt Lake Arts Center Remodel in the summer of 2001. Paulsen Construction acted as the General Contractor for the project.

His workmanship was the quality we expect at Paulsen Construction and more importantly for this particular project, Shane completed the masonry on schedule.

I plan on working with Shane Demler on future projects and based on Shane's knowledge and performance I would recommend him to other valued clients or other contractor affiliations.

Respectfully,
